ALBANY SETS RECORD IN SALE OF BONDS IN VICTORY LOAN DRIVE

Albany Post to Aid in Clothing Collection Here

On the request of Fire Chief Fred Pimental, chairman of the clothes drive in Albany for the United Nations relief, Albany Post of the American Legion has pledged that Post members would turn out Sunday, Jan. 27, to pick up the bundles left at the various depots in Albany.

Members of Albany Post are to bring their own contributions to the Albany Memorial building Friday night when the members gather for their regular meeting.

During the week, George High, custodian of the Memorial building, will accept bundles and if he does not happen to be at the building at the time the delivery is made the bundle can be left on the patio.

P. G. & E. Raises Salaries 5 pct. Effective Jan. 1

A wage increase of 5 per cent, effective January 1, 1946, for all employees who receive under \$1000 per month was announced today by A. Emory Wishon, vice president and general manager of Pacific Gas and Electric Company.

The increase, which is subject to union acceptance on behalf of employees they represent, will add approximately \$1,500,000 annually to the Company's payroll expenditure. This is in addition to increases and adjustments aggregating \$1,300,000 per year made effective during 1945.

These included adjustments in rates of monthly salaried employees and physical workers, increases to division employees, removal of area and sex wage differentials and adjustments in rates paid stenographers and typists.

The increase announced today, Mr. Wishon stated, will bring to more than 32 per cent the cumulative increase in basic wages granted to a majority of employees since 1941. Starting with a 15 per cent rise in 1942 to conform to the "Little Steel Formula" of the War Labor Board, other increases of 9 and 10 per cent were made effective October 1, 1945, which with the present raise will result in a total rate increase of 32.83 per cent since January 1, 1941. This approximates the rise in living costs during the same period.

Estimated average monthly earnings of employees in January, 1946, as distinguished from basic wage rates, will be 43.4 per cent higher than in December, 1941.

The Company points out that average earnings of employees have increased at a greater rate than its operating revenues. In 1940 the total payroll was \$25,683,000 for 12,748 employees, and in 1944 it was \$28,673,000 for but 10,045 employees, an increase of 41.6 per cent in the average paid to each worker.

In contrast, the utility's gross operating revenues increased in the same period only 38 per cent. Instead of large war profits the net income available for dividends to stockholders was less by \$2,642,000 in 1944 than in the pre-war year of 1940.

G. C. Rutan in Albany Hospital

G. C. Rutan, of 929 Adams St., was operated on for appendicitis last Tuesday morning at Albany Hospital. Attending surgeon was Dr. McMahon.

The world owes all its onward impulses to men ill at ease. The hap- py man inevitably confines himself within ancient limits.

—Nathaniel Hawthorne

WILLIAM J. BOWMAN

C. of C. Plans Assembly of Civic Leaders

The Albany Chamber of Commerce will hold a meeting of the business men of Albany Tuesday, January 22, in the council chambers at the City Hall, 1045 Solano Avenue, at 8 p. m.

President Oliver Nelson will preside and the speaker will be E. J. McGowan, vice-president of the Bank of America and advisor of the State Department Business Planning Institute.

Mr. McGowan is familiar with the nation wide movement of post-war planning which is now of great importance. The Albany Chamber of Commerce aims to sponsor an organized movement to modernize and revitalize the city.

There is a very definite need for streamlining retail business establishments and Mr. McGowan will be able to give the merchants and business property owners sound advice as to the manner in which this can be accomplished.

CLAIRE LOUISE BOUCHET TO WED DANIEL SHIELLS

Guests at a formal dinner party given by Miss Sylvia Manbey of Arlington Avenue were surprised to learn of the betrothal of Claire Louise Bouchet to Mr. Daniel Arthur Shiells of the Navy V-12 Officer Procurement program at the University of California. Claire is the daughter of Mr. and Mrs. Elmer Bouchet of Ventura Avenue. She is a graduate of Albany schools and will graduate from U. C. in June.

Mr. Shiells will receive his commission as Ensign and his Bachelor of Science degree in mechanical engineering at his graduation this February. He is the son of Mr. and Mrs. Frederick A. Shiells of Pasadena where he was very active in Pasadena Junior College affairs.

The party was to celebrate the birthdays of both Miss Bouchet and Miss Manbey's fiancée, Jack London (also of the Navy V-12 graduating class at U. C.) A large red crepe-paper bag which formed the table center-piece was the medium for announcing the engagement. It had a miniature sign which read: "It's out of the bag! Claire and Danny are engaged!"

No definite date has been set for the wedding, but it is expected to take place as soon as the benedict-elect returns from the East where he has been selected to study abroad.

SKIPPER KENT ON WAY HOME ON 'WHITE CLOUD'

Skipper Kent, the Zombie Village King who formerly lived at 715 Key Route Blvd., is on the last leg of his journey home. He and his wife, Lucille, purchased the yacht "White Cloud" in Chicago and sailed it through the Great Lakes via Erie canal and the Hudson river to New York.

After having the yacht thoroughly inspected and repaired, they sailed for Bermuda and en route encountered a freak storm with tremendous seas which battered the "White Cloud" and almost washed one man overboard.

Finally they reached Bermuda feeling lucky to be alive. In Mrs. Kent's own words to her parents, Mr. and Mrs. C. H. Richter of 717 Key Route Blvd., the hurricane

they encountered when returning from Honolulu in 1939 was a baby by comparison and a nightmare to all. It lasted 42 hours.

After leaving Bermuda for the West Indies, their luck seemed to change and the sailing was perfect. They spent Christmas in Kingston, Jamaica, and New Years at Colon, Panama.

On Jan. 6th they left Panama for home, a distance of 3737 miles, which is the longest sail they have had from any given point. It will take them at least two months to reach home.

All along the way they have taken movies of their travels so they will be able to show them to their many friends and Zombie Village patrons.

EDWIN S. HOWELL NEW PRESIDENT OF STATE RECREATION CHIEFS

Edwin S. Howell, Albany's Superintendent of Recreation for City and Schools, was elected President of the California Recreation Services Executive Association in Palo Alto, Thursday, January 10. The association's membership is composed of executives in the field of parks, recreation and education.

The Recreation Problem Clinic at Palo Alto was attended by over one hundred administrators, representing cities throughout California. Howell pointed out that this problem clinic was a huge success due to the fact that it brought together civilian and military personnel to discuss the many post-war recreational problems affecting the leisure time of the nation.

Howell further stated that he was honored to be selected for this high post and was happy that this honor was also bestowed upon the City of Albany.

Albany's recreation executive holds the distinction of being vice-president of the Pi Sigma Epsilon Fraternity, president of the Albany Men's Breakfast Club, junior past president of the Albany Exchange Club, member of the Albany Eagles, member of the Society of Recreation Workers of America, also a member of the Health, Physical Education and Recreation Association, and the National Recreation Association.

Other officers elected to serve the association were: vice-president, Arvid Pauly, Lodi; second vice-president, John Batchelor, Ventura; board of directors—M. C. Thiltgen, Palo Alto; Josephine Randall, San Francisco; Mal S. Coombs, San Mateo County; Sterling S. Winans, Los Angeles; Ivan Hill, Richmond; Serena Arnold, Modesto, and Harry Stoops, Berkeley.

Reservations for P.T.A. Luncheon Now Being Taken

Reservations for the luncheon accompanying the meeting of the Sixteenth District, California Congress of Parents and Teachers, to be held at Cornell School, Monday, January 28, are now being taken.

The luncheon will be given by the Women's Society at the Albany Community Church, on Stannage and Marin Avenues. The price will be sixty-five cents.

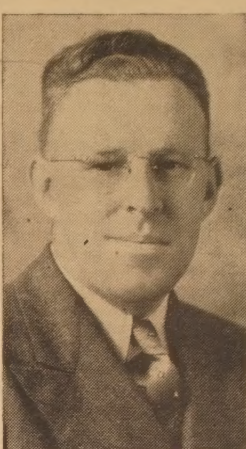

Reservations may be made by calling Mrs. Kenneth Phelps, general chairman, L.A. 5-0470; Mrs. Edward McConnell of Marin P.T.A., THornwall 2783; Mrs. R. E. Crane, Albany H.S. P.T.A., L.A. 5-0434, and Mrs. Carl Nieper, Cornell P.T.A., L.A. 5-7512. Reservations will be closed January 22.

Schools and Fire Houses Receive Clothing Bundles

Fire Chief Fred Pimental, Albany Chairman of the Victory Clothing Campaign sponsored by UNRRA, requests that donations be deposited at the Albany public schools from 9 to 3 p. m., and at the Albany Fire house until 8 p. m. The campaign ends January 31.

No loose clothing will be accepted. It must be put in cartons and securely tied. This will aid in handling and shipping. Only good, usable, clean garments should be given. The national quota is 100 million garments. It is hoped that each home will contribute at least one garment toward this quota.

The fire house is located at the corner of San Pablo and Washington Avenues. The high school is at 603 Key Route Blvd.; Cornell school is at Solano and Cornell Avenues; Codornices school is on Eighth street at Riley Drive; and Marin school is on Santa Fe Avenue at Marin Avenue.

EDWIN S. HOWELL

Junior Traffic Cops Honored At 'Bean Feed'

As a reward for the fine job they have done this term, the Cornell P. T. A. sponsored a "Bean Feed" for the Junior Police boys on Thursday, January 17, from 5 to 6:30 p. m.

The boys met in the school auditorium at 5 p. m. for a short program of entertainment and dinner started in the cafeteria at 5:30. Approximately seventy boys attended.

Dr. Roy Nichols High School Dads Club Speaker

Albany High dads have a good program in store for the citizens of Albany at the High School in Room 106 at 8 p. m. next Tuesday night. The club has been fortunate in securing Dr. Roy Nichols for this program. He has chosen for his topic, "The True American Way."

On the same program will appear Norman Lewis, well known pianist, and John Owen, Albany High School's soprano.

All members of the Albany High Dad's and their wives are especially urged to be present and all Albany citizens are cordially invited.

CITY COUNCIL HOLDS UP ACTION ON CABS AND NEW FIREMEN

The eligibility list for firemen recently established by civil service examination and a revised taxicab ordinance were problems presented at the Albany city council meeting this week.

Upon recommendation of Fire Chief Fred Pimental an appointment already had been made on a "non-certified" basis, assuming there was no eligibility list from which to draw. Later application was made for the appointment of a fireman "from the eligibility list."

Discussion disclosed that six men passed civil service tests recently and became eligible for city appointment. These men already were working on a non-certified basis and have not as yet been certified. It was one of these which was brought up for civil service appointment.

Under Pimental's understanding of the temporary, non-certified appointment of four of the men, they will be used by the city only so long as Lanham Act funds are available. He said permanent appointment would over-staff his department when the population in Albany returns to normal. According to the city attorney's on-the-spot judgment, if there are eligibility lists, any further appointments must be taken from these lists and the earlier appointments made last night on a non-certified basis would be illegal and that appointment was rescinded.

City Attorney Young was requested to study the charter for a system whereby legal appointment can be made of men for temporary service during the continued emergency.

George H. Lee, general manager of the Yellow Cab Co. in Alameda County, was refused permission, for at least one week, to establish a stand for two Albany cabs. This matter was referred to the city attorney for legal ruling.

The city attorney also was asked to draw up an amendment which would embody three points: permission for cabs to operate without meters until such time as they are available; elimination of the clause prohibiting stands within 200 feet of each other, and insurance safeguards for commercial vehicles operating as taxicabs.

New Business Area Planned On San Pablo Ave.

Initial steps are underway toward the creation of a six-block wholesale commercial district which will extend from Portland Avenue to the Alameda County line on San Pablo Avenue.

An amendment to the zoning ordinance was passed by first reading at City Council meeting this week. On Monday, Jan. 28, second reading will be given and a public hearing held.

The amendment was rushed through, Council members said, in order to pass on an application presented by J. Bryant Thelen, meat jobber, for permission to establish a wholesale meat jobbing concern on San Pablo Avenue near the county line. In making the application, Thelen said meat would be distributed to hotels and restaurants, but that no sausage making or other cooking would be done on the premises. Except for the size of orders, Thelen said the establishment will be essentially the same as a retail market.

Two Ferguson Brothers Arrive Here for Holidays

Two brothers, sons of Mr. and Mrs. Winthrop E. Ferguson of 1138 Brighton Ave., from widely separated points of the South Pacific arrived home a few days before Christmas. Corp. Franklin L. Ferguson, 6th Marine Division, member of the famed Raider 4th Regiment, veteran of many battles, as Guam, Okinawa, etc., was discharged at San Diego, 5 days before Christmas. His brother, Donald N. Ferguson, G.M.3c, veteran of 2 years in the South Pacific arrived home on leave and hopes to be stationed a little closer to home. Both attended Albany High School.

Badminton Class For Women Opens At High School

Badminton instruction for women will start on Thursday evening, January 17th, from 7:30 to 9:30 p. m. at the Albany Evening High School gymnasium. Elizabeth Farmer, instructor, states that badminton is one of the finest types of exercise for women because it is not too strenuous and can be enjoyed without long practice to gain skill.

Four badminton courts are set up on the gymnasium floor, giving ample opportunity for all to participate. The class is open without fees to all interested women.

SCOUTS OFFER COURSE FOR MOTHERS OF CUBS

The Den Mothers Training Course to be conducted by members of the Albany District of the Boy Scouts will start on Monday evening, January 21, at 7:30 p. m. at the Cornell School auditorium, Cornell and Solano Avenues, Albany, it was announced this evening by John Robins, District Chairman of Leadership Training.

The course will run for six Monday evenings and will end with the meeting on February 25 when certificates will be presented to those taking the course.

Mr. Robins has assembled an excellent staff of leaders to help conduct the course which he has outlined as follows:

The first meeting will be devoted to introductions, handled by R. C. Brown, the first showing of the new Cubbing film, "Cubbing in the Den," and a discussion of Den Mother responsibility.

The second and fifth meetings will be headed by Mrs. Martha Winkelman and will cover handi-

craft projects and ideas.

The third and sixth meetings will be devoted to discussions on the various phases of Den operation and procedure and will be under the leadership of Paul Marvin.

The fourth meeting will be devoted to games and game techniques, including demonstrations of the play way of teaching Cubbing. This meeting will be under the direction of George Marshall.

In addition to these fine leaders, Mr. Robins has secured the services of Ran Crouse, a veteran Cubmaster of the Albany District, and Harold Edelstein, Chairman of Cubbing for the Berkeley-Contra Costa Area Council, to serve as course experts and interpret the various phases of Cubbing.

An invitation is extended to all Cub parents to attend this course and all Den Mothers and Cubbers of Berkeley, El Cerrito, Kensington and Richmond, as well as those of the Albany District, are urged to avail themselves of this splendid training opportunity.

NEWS OF LOCAL SERVICEMEN

Pearl Harbor, T. H.—Staff Sgt. Karl P. Buchholz, of 1225 Garfield Avenue, is one of 5,000 high-point Army veterans whom the Navy is returning to the States for discharge aboard the U. S. S. Admiral Hugh Rodman. This ship left Nagoya, Japan, December 22, and was scheduled to arrive in Seattle about January 3.

Pearl Harbor, T. H.—Efc. R. L. Page of Albany, is one of 3,627 high-point Army veterans returning to the States for discharge aboard the U.S.S. General Sturgis. This ship left Yokohama, Japan, December 23, and is scheduled to arrive in Seattle about January 5.

Camp Beale—Corporal Charles A. Gordon, brother of Dorothy E. Rich, 504 Evelyn St., Albany, was honorably discharged from the armed forces at the Camp Beale Separation Center.

Entering the army in February, 1943, Cpl. Gordon was assigned to the Army Air Forces and was sent overseas in August, 1943 with the 319th Depot Repair Squadron.

An Aircraft Painter, Cpl. Gordon has been awarded the European African Middle Eastern Campaign Medal and the Victory Medal.

Camp Beale—Captain Everett C. Engelman, son of Mrs. M. S. Nello, 508 Kains Avenue, was retired from active duty in the armed forces at the Camp Beale Separation Center.

Entering the army in February, 1941, Capt. Engelman went overseas in October 1944 and served as Adm. and Personnel Officer with HQ 8th Army. He was awarded the Asiatic-Pacific ribbon with three campaign stars for action in New Guinea, Southern Philippines and

Luzon, and the Philippine Liberation ribbon.

Capt. Engelman was retired with 81 points earned during his four years and ten months of service.

Pearl Harbor.—Sgt. Paul Marengo, son of Mrs. Josephine Marengo, of 711 Madison St., is on his way home. His ship left Guam, December 15.

Eugene Bert Samuelson, torpedo-man's mate, first class, 432 Pomona Ave., served aboard the submarine USS Guitarrero, which has been de-commissioned and placed in a reserve status at Mare Island, Calif.

During the war, the Guitarrero made five combat patrols in the Philippine area and the Indo-China Sea, sinking an estimated total of 71,000 tons and damaging an additional 11,500 tons of Jap shipping. A heavy cruiser, a light cruiser and three destroyers were among the victims.

George E. Daerc, Sic, 707 Gateview Avenue has been honorably discharged from the United States Navy at the Naval Personnel Separation Center in Shoemaker, Calif.

Pearl Harbor—Pfc. Charles P. Gira, 1179 Santa Fe ve., is on his way home aboard the U.S.S. President Adams. Gira left Yokohama, Japan on December 21.

Cpl. L. D. McDonald of 819 Jackson St., is on board the U.S.S. General Hershey en route from Yokohama, Japan to Seattle.

Lloyd J. Goldbaum, SKD3c, 509 Adams St., was honorably discharged from the United States Navy at the Naval Personnel Separation Center in Shoemaker, Calif.

Captain Everett C. Small, son of

Mr. and Mrs. F. P. Small of 1435 Marin Ave., is now serving as officer-in-charge of small vessel operation in the office of the Chief of Transportation AFWESPAC in Manila.

Capt. Small who arrived in Manila in Oct. 1945 has been in service for 3 years. Prior to that he was employed by Kingley Navigation Co. as Los Angeles District Manager, Berth 146 Wilmington, Calif.

Camp Beale—Sgt. John W. Stephens, 620 Spokane Ave., was honorably discharged from the armed forces today at the Camp Beale Separation Center.

Entering the army in October, 1942 was assigned to the Army Ground Forces and was sent overseas in September, 1944 with the 41st Cavalry Reconnaissance Squadron.

A Radio Electrician, Sgt. Stephens has been awarded the ETO ribbon with three battle stars, the Good Conduct Medal, the American Theatre Ribbon and the American Victory Ribbon.

Capt. John Jungnickel, son of Mr. and Mrs. J. L. Jungnickel of 1061 Evelyn Ave., has received an honorable discharge from the Army after 38 months of service with the Army Air Forces. He was last stationed at the Chanute Field, Ill., AAF Training Command station and Separation Base.

Mrs. Anuta Lynch Guest of Richters

Mrs. Anuta Lynch beauty operator and resident of Harbor Springs, Michigan, has been a guest of Mr. and Mrs. C. H. Richter of 717 Key Route Blvd. for the past two weeks.

CALIFORNIA—TWO STATES?

Advocates of breaking the State at the Tehachapi have insisted for years past that the mountain barrier at the State's waistline makes just as clean a cleft as legislative action ever could. Parallel business operations, twin civic committees and double political organizations always have marked off North-

ern and Southern California.

This year, however, California emerges as the one and only State to rate a twin convention! Eastern office of the Conference of Guidance and Personnel Executives announces simultaneous meetings in L. A. and S. F. The rest of the country takes the two-State theory more seriously, mayhap, than the natives.

VIRGINIA BERG
INSTALLED AS 'QUEEN'

Virginia Berg, daughter of Mr. and Mrs. C. E. Berg, 671 San Gabriel Ave., Albany, was installed as honored queen of Bethel No. 87, International Order of Job's Daughters, in the Thousand Oaks Masonic Temple, Berkeley, Saturday evening January 12 at open installation ceremonies.

Installing officers included Ruth Swenson, retiring honored queen; Mildred Kohlmeier, hostess and reader; Shirley Jilbert, guide; Ann Lafuente, marshal; Marilyn Garman, chaplain; Marilee Ervin, recorder; Patricia McCoy, musician; Bonnie Lee Harrison, senior custodian; Viola Thiele, junior custodian; Jacqueline Grant and Carol Miller, usherettes; University Chapter De Mohay, flag bearer and escort.

Those installed were: Elected officers, Janet Pemberton, senior princess; Shirley Granholt, junior princess; Carol Hatman, guide; Ruth Miller, marshal.

Appointed officers: Vida Marchetti, Inner Guard; Mildred Reasoner, Outer Guard; Cecilia Colbie, senior custodian; Carol Blakemore, junior custodian; Carol Colbie, recorder; Sarah Addleman, assistant recorder; Lois Beale, treasurer; Marilyn Granholt, pianist; Inabella Bryant, chaplain; Patricia Stewart, second messenger; Lora Wood, third messenger; Joyce Brogdon, fourth messenger; Alyce Brogdon, fifth messenger.

Members of the celestial choir: Nelda Iohannkecht, Barbara Burns, Ioline Thompson, Shirley McBride, Marion Lyon, Beverly Beauchamp, Helen Dyer, Marion Moores, Joanne Weidemann, Beverly Black, Joyce Barry, Diane Holand, Myra Clark, Lois Etingoff, Audrey Moore. Crown and cape bearer: Violet Marchetti and Raymond Schaal.

AUTO THEFTS RISE
Automobile thefts have risen more than 26 per cent, reports the California State Automobile Association, analyzing FBI figures for the nation. Motorists are urged to protect their cars from possible theft at all times.

Don't ditch your conscience or you will go down the drain.

VIRGINIA BERG

SQUEAKS MEAN WEAR
Squeaks and rattles are the first signs of wear in an automobile, cautions the California State Automobile Association. It pays to have the car lubricated regularly and to have nuts and bolts tightened up at periodic intervals.

NO ONE NEED
WORRY ABOUT
FUNERAL BILLS

Everyone should have a plan prepared for all the major eventualities of life.

There is a Plan that everyone should look into. It provides a method of setting down in advance just what funeral arrangements shall be carried out. It also provides immediate cash to cover funeral costs. This means that those who remain will not be burdened with the ordeal of arrangements at the time of sorrow, and it keeps savings and insurance funds intact.

In the interest of better service, we will be pleased to tell you how you may obtain this protection. For information

Here's a SENSIBLE way
to relieve distress of
'periodic' FEMALE
WEAKNESS

(Also a Grand Stomachic Tonic)

Have you at such times noticed yourself feeling nervous, irritable, so tired, a bit blue—due to female functional periodic disturbances? Then don't delay! Try this great medicine—Lydia E. Pinkham's Vegetable Compound—to relieve such symptoms. It's so effective because it has a soothing effect on one of woman's most important organs.

Important to Know!

Pinkham's Compound does more than relieve such monthly cramps, headache, backache. It also relieves accompanying tired, nervous, irritable feelings—due to this cause. Taken regularly—it helps build up resistance against such distress. Pinkham's Compound helps nature. Also grand stomachic tonic.

DIRECTIONS: Take one tablespoonful 4 times a day before meals and at bedtime. Follow label directions.

HENRY S. VILLA

Firestone

HOME & AUTO SUPPLY

929 San Pablo Avenue Landscape 5-6868

Make sure your home has an ample-size water heater—at least 30 gallon capacity.

The next time you buy an automatic water heater for your home or for the new home you are planning, provide an adequate water supply for a new automatic washing machine or electric dishwasher. Hot water and plenty of it, activates soap into billions of energetic cleansing bubbles. Then steamy torrents of sterilizing rinse-water restore clothes to bright newness and dinner dishes to shining cleanliness. It costs very little more at the start to buy an ample family-size water heater to take care of washday, bathroom and kitchen hot water needs. And operating cost too, is very little more. Remember your family uses lots of hot water. Tests show that the average family of four uses more than 50 gallons a day. A small size water heater wears out from overwork in many a home. Buy wisely... buy a bigger water heater next time.

THE G.I. LOOK

The clothing shortage cramps the style of veterans on one hand and frustrates civilians on the other. Nevertheless it has spawned a big new business unseen and unknown since the first world war ended 28 years ago.

Booming already and scheduled to last five or six years, is the business of dyeing millions on millions

of service shirts, trousers and the jackets, making them not suitable but superior for wear.

The high quality material, General Issue gear makes it advantageous to strip off the markings, re-tailor and dye. Favorite G.I. look in color. Favorite say the dyers, are bottle green, brown, wine and black.

THE ROAD TO HEALTH

COLDS CAN BE DANGEROUS

By E. I. ROBINSON, M.D.
President, National Medical Ass'n.
Los Angeles, Calif.

All one night I watched by the bedside of a child dangerous ill. Early in the morning her fever broke. After that, her condition slowly improved. She recovered, but for long hours her life had hung in the balance.

The child had pneumonia, a lung disease which is often fatal, especially among young people. She had caught cold two weeks before. Her mother, who is a busy woman, paid little attention to it. The child went to school as usual, played outdoors after school and at night helped with the household tasks and studied.

Her cold, instead of getting better in a couple of days, got worse. One night she was feverish, but said

nothing about it to her mother because she was afraid of being kept home from school. There was to be a basketball game that day and she did not want to miss it.

She went to school the next day and played on the way home. That night she was really ill—had a high fever. Her mother became alarmed. She kept the child in bed the following day and gave her medicine she thought was good for a cold. The child got no better, so late in the day the mother called me. When I had listened to the child's heavy breathing, had taken her temperature and pulse, I suspected she had pneumonia. A more complete examination showed that I was correct. She was very ill. Luckily, she recovered, but she had a close call.

If the child had not been allowed to run around with a bad cold, the chances are she would never have had pneumonia, which kept her in bed several weeks.

We get so in the habit of thinking of colds as a necessary evil that we forget how dangerous they can be—and we forget that they frequently can be prevented.

Everybody knows how miserable a cold can make one feel. But do you know that a cold—just a common cold—can weaken your body so that you fall easy prey to such serious illnesses as pneumonia, sinus trouble, ear trouble and even tuberculosis?

Here are a few things you should remember about colds:

They are infections. That means you can catch colds from people who have them and that you can give them to other people. So, if you have a cold, cover your mouth and nose when you sneeze, preferably with a paper handkerchief which can be burned after use. You don't want someone else to be sick.

Try to avoid catching colds by staying away from people who have one; by keeping up your own strength. To keep your body in good

condition, get enough rest and include plenty of fruits and vegetables in your meals.

Wrap up when you go out into cold weather. Do not get your feet wet.

If you have a cold, drink lots of liquids—water, fruit juices and clear soup. Do not eat heavy, rich foods. Liquids help your body throw off wastes. The digestion of heavy foods puts an extra burden on your body, already tired because of the cold.

If you have to work when you have a cold, be sure to go to bed early at night so that you get plenty of rest. If you have a fever with your cold, by no means go to work. Always stay in bed a day or two after the fever leaves.

Ordinarily, you do not need a doctor if you have a cold, but if it lasts a long time or if you have a fever, you should see a doctor. A cold that is neglected may lead to some other serious disease. Better let the doctor prescribe before you become really ill.

BADLANDS EXTENSIVE

The portion of Death Valley which is below sea level is more than 70 miles long and from one to six miles wide, according to the California State Automobile Association. This area includes Bad Water, 276 feet below sea level, lowest point in the United States.

LEGAL NOTICE

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

January 10, 1946.
TO WHOM IT MAY CONCERN:
Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

1041 San Pablo Ave., Albany.
Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer.
Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Skating Vanities
of 1946 Playing
in San Francisco

Most colorful and spectacular of the winter season's entertainment attractions, "Skating Vanities of 1946" is now playing its annual smash-hit run at San Francisco's Civic Auditorium.

Capacity audiences nightly have been agreeing with the superlative comments accorded the show in New York, Chicago and other cities.

The "Skating Vanities" will be in San Francisco nightly through January 30, with matinees each Saturday and Sunday at 2:30 p. m. Tickets are on sale, both direct and by mail order, at the Crane Box Office, 245 Powell Street, San Francisco. All seats are reserved, with prices set at \$2.40, \$1.80, and \$1.20.

On opening night of the "Skating Vanities" in San Francisco, lovely Gloria Nord, the beautiful blonde ballerina, thrilled the crowd with her grace and charm in her three major numbers.

SKATE STAR

The candid camera catches Gloria Nord, lovely ballerina on skates of Harold Steinman's "Skating Vanities", in the midst of one of her intricate routines. "Skating Vanities", which boasts of an all-star cast of 125, is scheduled for the San Francisco Civic Auditorium from January 16 to January 30.

BOWLING IS BIG-TIME

In the vanguard (financially speaking) of the really super-colossal conventions on the California calendar is—what do you think?—National Bowling Congress!

Nor is it a gathering to sniff at. It's expected to bring from 70 to 100 thousand visitors to L. A. early next year—and to leave about four million dollars in its exuberant wake!

Christian Science
Lesson-Sermon

For Jan 20 - 'Life'

"He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Galatians 6:8). This is the Golden Text of the Christian Science Lesson-Sermon on the subject "Life" for January 20th.

The following citations are taken from the sermon:

John 17:3: "And this is the eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Mortal mind must part with error, must put off itself with its deeds, and immortal manhood, the Christ ideal, will appear" (p. 430).

Saint John's
Presbyterian

Dr. C. G. Salsbury, M. D. for fifteen years superintendent of the Mission and medical director of Sage Memorial Hospital at Ganado, Apache County, Arizona, will preach at the 11:00 o'clock morning worship service in Saint John's Presbyterian church, College Avenue at Derby St., Berkeley. He will tell of his work among the Navajo Indians in the 150-bed hospital and the Nurses' Training School where Indian girls are taught nursing in the only accredited school of its kind for Indian women. The hospital itself is accredited by the American College of Surgeons. The Chancel Choir, directed by Mr. Robert A. Choate, will sing two anthems.

Dr. Stanley Armstrong Hunter, pastor, will preach at the five o'clock Vesper Service.

Three youth groups will meet at 6:15 p. m. Chi Epsilon, Junior High age directed by Mr. and Mrs. Morton McWhood, in the Religious Education Room; Sigma Iota, the High School age meeting for a discussion group, and the College Age group will be addressed by Dr. John Wick Bowman, of San

IN THE SPOTLIGHT

By DAVID O. ALBER

JOAN BENNETT

Lang. And now there's talk of pairing them again for "Mystery In Mauve."

Robert Montgomery, home from the wars, tells of the time, just after the fall of France, when he escaped as an ambulance driver to England and was trying to return to this country to enlist in the Navy. The crush was terrific, and he had to stand in line four and a half hours to get his steamship ticket. After the long wait, he presented his papers to the clerk. That gentleman read the name, looked up and recognized Bob. "Fawney!" he marvelled. "YOU queuing up to see ME!"

David Niven announced the birth of his second son in very original fashion. The British actor cabled producer Samuel Goldwyn, "We have just produced another featured player for your studio—a huge boy nearly nine pounds. Please prepare contract accordingly."

Ronald Reagan's first role since his recent honorable discharge from the Army will be the male lead in Warner Bros' "Stallion

Road," based on a novel by Stephen Longstreet. It will mark a welcome return to the films of one of Hollywood's finest actors.

It's a lucky thing, perhaps, that the State of Connecticut is going to build a museum for James Melton's old automobiles, else the tenor might be hard put to find space to house his ever-growing collection. As of now, the cars number 90. This passion for old cars does not end with their acquisition—Jimmy wears ties imprinted with old car designs, and similar designs may be found on sports shirts, sweaters, stickpins, etc. Mrs. Melton's Christmas gift to her husband is a rug with an old car design! The singer, who is heard on the Texaco Star Theatre broadcast Sundays, 9:30 P.M., EST on CBS, is even thinking of adding Hitler's private car to his collection — if it can be had.

RECORD NOTES: Bing Crosby does his usual smooth job in "Symphony" and "Beautiful Love" on Decca. . . . Tommy Dorsey has a cutie in "That Went Out With Button Shoes" and "The Moment I Met You" for Victor. Two good songs, expertly played by the Sentimental Gentleman. . . . For them as like the blues, Columbia offers Big Bill singing "Roll Them Bones" and "Humble Blues" — both solid items.

TO PREVENT SKIDDING

Correct braking, on wet or slippery roads, is extremely important, the California State Automobile Association points out. The most serious mistake is to jam on the brakes, thereby locking the wheels, since the road surface offers less friction to a sliding tire than to one that is rolling. The motorist who jams on his brakes, when a skid starts, not only surrenders control of the car, but also develops less stopping force than if the

brakes are applied gently and intermittently. A safe rule on slippery surfaces is to speed up gradually, slow down gradually, and turn slowly.

Francisco Theological Seminary, San Anselmo, giving the second of a series of talks.
